CONFIDENTIAL  
PURSUANT TO PROTECTIVE ORDER

Remote Video Zoom Deposition of CHERYL  
SENKO, taken by Plaintiff, pursuant to Notice,  
with the Witness located in Parma, Ohio, before  
William Visconti, a Shorthand Reporter and  
Notary Public within and for the State of New  
York.

1 CHERYL SENKO - CONFIDENTIAL

2 Facebook platform. I believe they violated my  
3 privacy when they share my personal data with  
4 Cambridge Analytical, a third-party app who did  
5 I don't know what they did with it. I believe  
6 they violated my peace because I was harassed  
7 during the 2016 election by things that came in  
8 my news feed and bullied. I believe that they  
9 caused me potential financial harm because they  
10 put me at risk for identity theft and other  
11 harms that way and I don't know how else they  
12 have harmed me because they haven't told us  
13 yet.

14 Q. Miss Senko, do you have any notes  
15 or other material with you today either on your  
16 computer or otherwise?

17 A. I do not.

18 Q. You're not reading from anything?

19 A. I'm not.

20 Q. You say that you believe Facebook  
21 violated you privacy by sharing your  
22 information off of the Facebook platform. What  
23 do you believe they shared?

24 A. I don't know, because they haven't  
25 told me. But I'm guessing it was political

2 beliefs, religious beliefs, contact  
3 information. I don't know what else.

4 Q. So you just think they did that?

5 A. Yes. Well they told me they did  
6 when they told me about the Cambridge Analytica  
7 breach.

8 Q. What did they --

9 A. Sorry, I didn't mean to overtalk.

10 Q. Do you believe that Facebook told  
11 you that Facebook violated your privacy?

12 A. They told me I was part of the  
13 Cambridge Analytica data sharing. They  
14 violated my privacy.

15 Q. That Cambridge Analytica violated  
16 your privacy?

17 A. They both did. Cambridge  
18 Analytica paid, what was it, \$100 million to  
19 Facebook for the privilege of violating my  
20 privacy and who knows how many others, so they  
21 both did.

22 Q. When you're referring to Cambridge  
23 Analytica, what do you understand Cambridge  
24 Analytica to be?

25 A. Are they a political consultant
